

Isle of Capri Sicilian Circle Dance

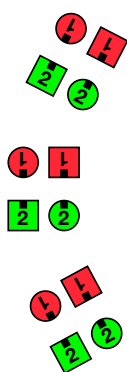

Calvin Campbell

This is a very nice Sicilian Circle dance for Community Dance groups. It does use a couple of round dance steps. A Grape Vine Left /Right and a Two-Step. However, a short demonstration of the dance routine usually works. To see a video of the dance, ([click here.](#))

To hear a sample of the music from the Lloyd Shaw Foundation website, ([click here](#)). The artist for the music is Fred Bergen.
